

February Activities

The children have been enjoying the community helper theme so we will continue with it this month.

We will get to have our normal valentines party this year which is always a fun day for the children.

The children will also get three gym days this month so we are looking forward to teaching them some new games. We try to do at least one guided game before free play at gym time.

Show and Tell

February 28th will be our show and tell. We love to see what the children choose to share.

Valentines Fun Day

Monday, February 14th we will enjoy some valentine activities.

Children will be allowed to hand out valentine's cards and treats if they wish. Treats must be nut free.

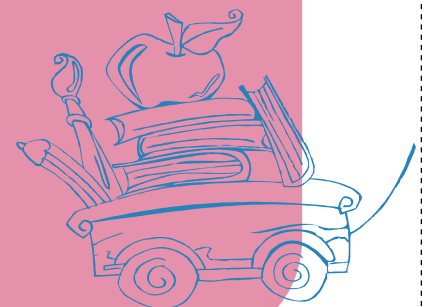

Please do not address the cards to a specific child, just write who the card is from.

During play time each child will take their turn and place one card in each friends Valentine bag.

We will close the bags and send them home so that you can join your child in their excitement.

Morning class: 17 students

Afternoon class: 15 students

Important Upcoming Dates
