

We made it through the cold of February and spring is hopefully around the corner!

The Classroom is ready for your children's return on Monday. We hope everyone who was ill is feeling better.

The children's highlights this past month was the dramatic play center as they played fire fighters and doctors.

The obstacle course in the classroom that was spontaneously made the day we couldn't use the gym was so much fun they chose to navigate the course a few times.

I also want to let our substitutes Nicole and Stacey know how thankful we are for all their help. You have been such a huge support and the children enjoy spending time with both of you and ask when you will visit again.

March Activities

This month we will have gym days, St. Patrick's Day fun and a pajama party at the children's request. This will lead us into Spring break.

Show and Tell

March 7th will be our show and tell.

Please know the children don't always need to bring toys. If you feel that you would like the class to learn something about your family or culture show and tell is a great time to introduce it. You may send pictures or music or traditional dress. Please help your child understand what they are sharing and you are also welcome to send a note along and we will be happy to help guide your child.

Pajama Day

On March 25th, we will have a pajama party. The children are also welcome to bring a stuffed animal to school that we will use to play some games with.

Fall Registration

We still have spots available for our afternoon class this fall. Please spread the word.

Thank you to the board and Sara-Jane for all your hard work with this year's registration. Also Thank you to Lauren for letting parents have a peek into the classroom at our Angus McKay Nursery on Instagram.

Thank you to all parents for your everyday support. I know it's been a rough year but we can see the finish line.

You are all very much appreciated!

Important Upcoming Dates

March - show and tell

March 18- no school

March 25- last day before spring break

April 4- First day back

Class Time

Morning: 9:30-11:45

Afternoon 1:00-3:15
