

# ANGUS MCKAY NURSERY

MARCH

## Overview

It's a short and sweet month! (Hopefully for all the parents during spring break!!!) – this month the teachers are mixing SCIENCE AND FUN! Learning shapes through crafts, as well as celebrating a week of St. Patrick's Day (wear green the 13<sup>th</sup> & 15<sup>th</sup>!) Big thanks to Ms. Debra & Ms. Nicole for setting all this fun stuff up this month for our kids to do!

We have our first field trip of the year to the Children's Museum on March 10<sup>th</sup>, from 9:45am – 1:00 pm. It's a program about snakes, bears, and birds ending with the children making their own bird feeders! Reminder to bring snacks and pack a lunch!

The last week before spring break is ALL ABOUT DINOSAURS! On the last day before spring break, (March 24<sup>th</sup>) – is DINOSAUR PJ / SHIRT DAY! On top of this, the teachers are also asking if your child can bring a DINOSAUR TOY OR STUFFY! Ending the month with a bang!

Teachers Notes:

We are focusing more on the kids learning to write their names and they are loving it! We've printed out sheets and are having the kids use a dry eraser marker and they are all doing great!

\*Don't mind the photo of that child's grad photo.. I cannot make it disappear, and I don't know who it is\*
